

We have new Referee Game Reports!

NWOYSL is trying something new this season. We have issued new game reports. We hope they will be easier for you and the office staff.

Everyone will receive 10 pink half sheet double sided game reports in your packets. You will need to fill out the following information on the Referee Reports:

On the Front:

1. Date
2. Time
3. Field #
4. Site
5. Gender of Division
6. Age Group
7. Game Number
8. Home Team
9. Away Team

On the Back:

1. List any Guest Players (remember to review our rules for guest players)
2. Indicate if Club Coach and Name

Each team will then attach a Roster to the game report. The game reports will be handed over to the referees. The Home Team will still provide a postage paid envelope to the referee. You will have enough white envelopes in your packet for every home game.

Each Club Contact will receive a PDF file of your roster. Each team will need to print out one roster per game.

If you add a player, drop a player or change your roster in anyway during the season - we will send out a new PDF file. You then will have to print out new rosters and attach to your game reports.

If a Referee Report is mailed in without a Roster Print out, you will face disciplinary actions and fines per the NWOYSL Executive Board.
