Maumee, Ohio 43537
Phone: (419) 893-2311
FAX: (419) 893-2307

When the weather forecast causes havoc with our league games. All game cancellations will be posted on the website as soon as we are aware of them. Coaches are NOT permitted to cancel games, a Club Contact or Field Director must be the person calling our officer on call to cancel games.

Please remember a few things:

-  As long as a game reaches half-time, the game score stands as is and the game will not be continued at a later date or rescheduled.
-  The games that do not occur, and those that have been suspended prior to half-time, must be replayed. The game will be restarted at the beginning of the game. It is the responsibility of the teams, not the referees, to inform the League Office that this occurred.
-  In addition, it is the responsibility of each team to complete an **Inclement Weather Reschedule Form**, which is available at www.nwoysl.org within 48 hours of the game being cancelled or not played due to weather related circumstances. If this form is not turned in the office will reschedule your game.
-  If the teams do not complete the required form mentioned above, the League Office will reschedule the game using the teams' calendars that were submitted prior to the onset of the season. This form was due to our office before the scheduling meeting, if your team did **not** send in a form, a grey form was in your team packet at the scheduling meeting. (Please do not call the office to check if your team's calendar is in, if in doubt – resend it) The form is also on our website, under forms.
-  Once the office reschedules your game, teams will not be permitted to submit an Inclement Weather Reschedule Form, nor will any teams be permitted to select an alternative date and or time.
-  In addition, if teams reschedule their own games without the League Office's approval, unfortunately, the game will be considered an "illegal" game, which means penalties for both teams.

We appreciate your cooperation and Thank you!
